

BOWMAN ROAD

Bridges Improvement Project

Subject: Bowman Charter School Traffic Detour Video During Construction

If you are a frequent traveler to Bowman Charter School then please check out our short [video](#) as a reminder to understand the traffic detour plan during construction of the Bowman Bridges Improvement Project. The project, which will ensure continued safe travel on Bowman Road, is expected to conclude in winter 2019/2020.

Throughout construction, Bowman Road between Apple Lane and Old Airport Road will be completely closed with no through access. Interstate 80 will be utilized as a convenient parallel detour for vehicles and a shuttle service will be available to transport cyclists and pedestrians around the construction site. For more information, please visit the project website.

Placer County is committed to distributing consistent and timely notifications to the local and traveling public throughout the duration of construction. Please help us spread the word about this important infrastructure project by sharing this information.

If you would like to be removed from these e-blasts, please respond with the word 'Remove' in the subject line. Thank you for your continued support!
