

BOWMAN ROAD

Bridges Improvement Project

Subject: Bowman Road Temporarily Reopened

Both lanes of Bowman Road are temporarily reopened to traffic for the next few weeks.

PG&E successfully completed their work early on the Bowman Road Bridges Improvement Project. Bridge construction is anticipated to begin in mid-May, dependent upon the contractor's work schedule.

A traffic notice will be issued once reclosure of the road is determined.

Placer County is committed to distributing consistent and timely notifications to the local and traveling public throughout the duration of construction. Please help us spread the word about this important infrastructure project by sharing this information.

If you would like to be removed from these e-blasts, please respond with the word 'Remove' in the subject line. Thank you for your continued support!
