

SUBJECT: Bowman Road Closed Week of July 8 Through Winter 2019/2020

BOWMAN ROAD
Bridges Improvement Project

Starting the week of July 8, Placer County Department of Public Works will close both lanes of Bowman Road to continue construction of the Bowman Road Bridges Improvement Project. The project, which will ensure continued safe travel on Bowman Road, is expected to conclude in winter 2019/2020.

Throughout construction, Bowman Road between Apple Lane and Old Airport Road will be completely closed with no through access. Emergency vehicles will NOT be allowed through the construction site. Interstate 80 will be utilized as a convenient parallel detour for vehicles and a shuttle service will be available to transport cyclists and pedestrians around the construction site. For details on the shuttle bus or to sign-up to receive electronic notifications, visit the project website.

Placer County is committed to distributing consistent and timely notifications to the local and traveling public throughout the duration of construction. Please help us spread the word about this important infrastructure project by sharing this information.

If you would like to be removed from these e-blasts, please respond with the word 'Remove' in the subject line. Thank you for your continued support!
