

## BOWMAN ROAD Bridges Improvement Project

Construction of the Bowman Road Bridges Improvement Project is nearing completion. Weather dependent, Bowman Road is anticipated to open to the public the week of March 15, 2020.

Placer County would like to extend its warmest regards to the local business owners, residents and traveling public for their continued support and patience during construction of this important infrastructure project. Improvements along both bridges ensure continued safe travel on Bowman Road for our community.

For project updates and photos, visit the [project website](#).
